#### MESSAGE FROM MPSC

##### YOU DID IT RM OF LAC DU BONNET!

From the inception of MPSC in 1995 to this past fiscal year, household recycling in Manitoba has surpassed a significant milestone —  
**OVER 1 BILLION POUNDS!**

We applaud your community for being an important part of this accomplishment!

MPSC is once again pleased to provide you with your Community Recycling Report for this past fiscal year. This report will help you measure the progress of your community's recycling efforts. It also offers you useful benchmarks for measuring the performance of your recycling program relative to over 200 other Manitoba community recycling programs funded by the MPSC.

Thank you for making community-based recycling a success story in Manitoba!

**Mike Fernandes, Senior Manager  
Municipal Programs, MPSC**

KEEP IN MIND THAT THIS COMMUNITY RECYCLING REPORT ALONG WITH REPORTS FROM YEARS PAST ARE ON-LINE AT [WWW.MPSC.COM](http://WWW.MPSC.COM).

# 2006 COMMUNITY RECYCLING REPORT CON'T

## RECYCLING IN MANITOBA

Grade	Number of Communities receiving this grade
A +	42
A	41
B+	20
B	21
C	55

### SETTING GOALS

Use this Report as a starting point for setting goals for your recycling program in four key areas:

1. Improving customer service, including improving resident access and convenience.
2. Developing and maintaining a clear and simple annual recycling promotion and education program.
3. Continuously seeking improvements and cost savings in the operation of the recycling system.
4. Developing and maintaining strong teamwork and cooperation between municipal officials and the recycling service providers.

Set and work towards clear goals for improving in these four areas and you will improve your recycling program — and increased recovery will follow.

Keep in mind the MPSC is here to help you along the way — we're only a phone call away. Also remember to visit our website where there is a wealth of practical information and tips.
