

PROPERTY TAXES

Current taxes (January 1 – December 31, 2010) are due and payable, without penalty, on or before September 17, 2010. The property tax statement will be mailed out to property owners during the month of June 2010. A penalty of 1% per month will be applied on October 1, to all 2010 taxes that are not paid in full, and will be added each month until taxes are paid in full.

Payment is accepted in cash, cheques or post-dated cheques. Also accepted are telebanking and Internet banking. Please check with your financial institution on how to set up your account.

The name(s) of the property owner(s) and address which appears on the bill is in accordance with the latest information that has been made available to the municipality. Should your address change, you are required to notify the Municipal Office as soon as possible.

Land in arrears for more than two years is subject to tax sale.

NOTE: The municipality has no control over the school portion of the property tax bill. The school taxes are the responsibility of the Province of Manitoba and Sunrise School Division. The municipality is required, by provincial statute, to collect them.
