Additional Drainage Work

Town request for shared work Minnewawa Drain

- Not on current list
- Agreed work – weed board to spray bulrushes, fill in low spot with rock
- **Action: Bob B. to contact weed district**
- **Action: use screened rock (oversize) late fall/early winter**

McArthur Drain

- May help with water in Wardrops Creek
- Municipal 1/2 mile long
- **Action: is it registered? Drain #??**

Grant Sikora - drain land North -Extend main drain 2 going North to end of RM crossing over Maple Creek Rd. 1/2 mile small ditch where natural drain ends up to Lussier Rd close to Norman Lussier's where it dumps to Wardrops Creek. 1/4 mile work to extend to Catfish to main drain 2

- Don to show Ron and Pete
- **Action: take levels, licensing, water stewardship to look at, register drain?**
- Cam Neuemburg attended to request commitment dates, consider additional excavator, G. Sikora requires this done in time to prep for next year's crop, stressed urgency
- **Action: communicate to G. Sikora**

Bonnet Oaks Condo Subdivision drainage concerns:

- **Action: conservation will provide RM with a design plan. DFO approval required if dredging out. Highways may share costs. –No reply from Naaykens, Donna to follow up.**

- Donna talked to Mr. Matthes at EMO regarding private works DFA and private works is eligible. DFA claim in.
- Vera C. visited site – EMO based on weekend flooding. Rd down to boat launch property caving in ditch – private property!
- Still waiting for hwys – this is between hyws and Condo development not RM

Tetrault/Wazny

- Registered drain? Goes South to Petersens Creek
- **Action: investigate if municipal drain**

Weiss Rd

- Erosion – ditch blocked
