

TOWN OF LAC DU BONNET

Minutes of the special meeting of Council held on October 28, 2011, at 4:00 p.m. on-site at 52 Park Avenue called to discuss placement of the sidewalk.

Present: Deputy-Mayor Plato, Councillors Lodge and Fontaine, Public Works Manager Avanthay, Chief Administrative Officer Colleen L. Johnson

Regrets: Councillor Kyne

Also Present: Ray Wentz (52 Park Development, Project Manager)

Deputy-Mayor Plato initiated the meeting at 4:00 p.m.

Discussions were held during a walkthrough of the area. Once discussions concluded the consensus of Council was as follows:

- The sidewalk at the widest part will be approximately seven feet;
- The sidewalk will be placed on concrete piers where the elevator will be;
- Geo-textile cloth will be placed at a 2 to 1 slope being covered with boulders which will be on the same aesthetic as the rip rap along the adjacent shoreline;
- Trees to remain, shrubs to be removed; and
- Being that the sidewalk is being attached to the building, that the Town of Lac du Bonnet is absolved from any damage which may be caused to the Condominium Development in regard to the sidewalk moving.

The meeting concluded at 4:20 p.m.
